MANPOWER REQUIREMENT

The minimum quantitative
and qualitative resource
needed to perform a specific
mission, function, or task.

REQUIREMENT

A specific manpower SPACE
which is assigned qualifiers
that define the duties, tasks,
and functions to be
performed and the specific
skills and skill level required
to perform the delineated
functions

AUTHORIZATION

Manpower requirement
supported by appropriate
funding (PLACE) or meeting
other established criteria.

Activity Manpower Document (AMD)

The AMD is the qualitative and quantitative expression of manpower requirements (military, civilian, and contractor) and authorizations (military) allocated to a naval activity to perform the assigned Mission, Functions, and Tasks; or Required Operational Capability within the Projected Operational Environment (ROC/POE)
